

## Ivar's Salmon House Banquet Menus

Ivar's Salmon House is a beautiful cedar replica of a Northwest Native American Longhouse, complete with an open-pit Native American-style barbecue for preparing succulent alder-smoked dishes. Here, in a dining setting filled with Northwest native art, décor and historical photographs, you'll enjoy memorable meals surrounded by spectacular views of boats cruising Lake Union and Seattle's skyline.

# Ivar's Planning Information

## Menu Planning

All menus must be finalized no later than 1 week in advance of your event date. Additions or substitutions are extremely limited after this time so please allow yourself plenty of time to review the menus so we may accommodate all of your requests for appetizers, starters, entrees and desserts.

## Guest Counts

Final guest & entrée counts must be received no later than 3 days before the date of the event. After this if there is an increase in guest count we cannot guarantee the ability to properly take care of your guests' menu requests. If guest counts decrease after this, the original number submitted may be charged.

## Billing

Billing will be presented on one check only. We are sorry we cannot make exceptions to this policy. We do not require deposits. All balances will be due at the end of the function unless billing has been prearranged with management. We accept cash, Visa, MasterCard, American Express and Discover. A service charge of 18% and Washington State sales tax of 10.1% will be added to the final bill.

## Cancellations

While we do not require deposits at the time of your reservation, we may ask for a valid credit card in order to reserve a room for those with special requests. Cancellations without penalty may be made up to 5 business days prior to the event date. Should you find it necessary to cancel your reservation within 3 business days you will be charged for 30% of your expected billing based on your original reservation in order to cover the cost of product that has been received by the restaurant for your event. You will also be charged for any other costs related to outside services that may have been rented or arranged for you, by us, at your request.

## Free Parking/Moorage

Ivar's Salmon House has 2 large parking lots across the street from the restaurant, and one at each end of the building which are free to all guests of Ivar's for the duration of their dining event. Our private dock is available for guests' vessel moorage for the duration of their dining event. No moorage may be held or reserved in advance.

## Complimentary AV

Ivar's Salmon House offers events at no additional charge use of a wireless microphone, podium, screen, video projector, and select HDMI & VGA cables. Specialty cables and hookup are the responsibility of guests. In the event of multiple bookings, availability is based on the earliest booking.

## Food and Beverages

All food and alcoholic beverages must be purchased through Ivar's Salmon House, with the exception of the following: You are welcome to bring in your own wine with the payment of a \$15 per 750ml bottle corkage fee. Specialty cakes from outside vendors may be brought in to the restaurants for no additional fees. We can suggest local bakeries upon your request.

We will be happy to honor special dietary requests if possible.

Private hosted and non-hosted bars are available for in-room service for parties over 50. Groups of less than 50 may request a bar set-up in the room for their event for a set-up fee of \$100.

Draft beer not included.

## Private Dining Groups of 25 or Fewer

Groups of 25 or fewer are welcome to order from the restaurants banquet menu or from our current lunch or dinner menus with no provided pre-counts necessary. Ivar's is also happy to let you create a Personalized Menu tailored for your group. You may select up to 6 entrées, 3 starter courses and 3 desserts from the restaurant's current menu. We will print the menu for you and your guests. Personalized menu choices must be made no later than 7 business days prior to your event date. We will be glad to present our house dessert menu to your guests at the end of their meal.

## Private Dining Groups 26 to 40

Select 1 starter course (soup or salad); we ask that you select the same starter for everyone.

An additional starter course may be ordered for a separate charge. You may select up to 3 entrées for the group. We will add a vegetarian entrée as a 4th selection. When a dessert course is added to your lunch or dinner, we ask that dessert is the same for everyone.

*Your menu should be determined at least 1 week ahead of your reservation date.*

*Your final entrée counts (what your guests have chosen for their entrée)  
are due 3 business days prior to your reservation.*

~or~

## Private Dining Groups of 41 to 59

You may select up to 2 entrées for the group. We will add a vegetarian entrée as a 3rd selection. When a dessert course is added to your lunch or dinner, we ask that the dessert is the same for everyone.

-or-

Groups from 41 to 65 may select from one of fantastic lunch or dinner buffet options.

If for any reason you may not be able to receive an accurate final entrée count from your guests and are not able to provide place cards identifying your guest's entrée choices, Ivar's highly recommends that you pre-select 1 entrée for your group or you may want to consider one of our buffets as an alternative. This makes your planning process much easier and ensures that we will be able to give your guests the best possible service

## Private Dining Groups of 60 to 110

May select from our lunch or dinner buffets, or build a cocktail reception style appetizer buffet.

## Reception and Hors d' Oeuvres Menu

In addition to a cocktail style reception, hors d' oeuvres and display platters may be added to any plated or buffet lunch or dinner.
