

Banquet Information

A simple call to the restaurant and we can make all of your arrangements. Before calling, here is some information that may help you plan your event.

BANQUET SPACE AVAILABILITY

Unless reserved by other guests, we would be pleased to take your banquet during any open business hours. There may be times on Friday, Saturday and Sunday when space is limited or unavailable. In addition, for very large groups, we may consider opening early or closing late to accommodate your group.

PARTY SIZE AND ROOMS

The requirement is a minimum of 25 guests to plan a banquet. If the size of your group is less than 25, contact us for other options. We do have private rooms available depending on party size, other bookings, time and date of banquet.

RESERVING A DATE

A banquet contract must be filled out and returned to reserve a space for your event.

SERVICE

We offer two styles of service to fit your needs. We can provide our traditional table service or set up a buffet so that your guests may help themselves at their convenience.

SELECTING A MENU

For parties of 25-100 guests, you may choose three entrées from our Banquet Menu and one salad dressing. If you expect more than 100 guests, you may choose two entrées from our Banquet Menu and one salad dressing. Attached you will find our Banquet Menu to assist you in making your selections.

DISCOUNTED SOFT DRINKS

We offer a discounted price for all soft drinks when a banquet is booked. Please ask our manager for details.

FINAL COUNT

Three days prior to your event, we ask that you call us with a final count for your party. For buffet-style service, we will need a count of how many of each entrée you would like. At the time of your event you will be responsible for paying for 90% of your final count unless you make other arrangements with the Manager. If you make substantial changes in the final count, we may select a different room or table configuration for your event.

PROVIDING BAR SERVICE

We offer a large variety of wines, beers, and cocktails. You may choose to have a hosted bar that will be added to the final bill or a no-host bar in which guests purchase their own drinks.

DECORATIONS

Please let us know if you would like to come in early to decorate for your event. In most cases we can accommodate this. We do not allow confetti or tape.
