The SBE Chapter 16 Arne Skoog Memorial Scholarship Fund

Scholarship History

Arne Skoog was an active Member of the Society of Broadcast Engineers (SBE) and a generous member of our broadcast community. He was well-known in many areas of the NW as a kind friend to every Broadcasting Engineer he met. In his memory, and supported by a contribution from his estate, SBE Chapter 16 established the **Arne Skoog Memorial Scholarship Fund** to award scholarships to SBE Chapter 16 Members interested in furthering their knowledge of broadcast engineering, through accredited education programs or certification exams.

Criteria & Eligibility

To be eligible for the **Arne Skoog Memorial Scholarship Fund**, candidates must have a career interest in the **technical** aspects of broadcasting. These scholarships are typically presented to applicants who are interested in continuing their education, or to advance their careers. Preference is given to those SBE Chapter 16 members who exhibit a sincere interest in broadcasting as shown through recent achievements, or have demonstrated their participation in Chapter activities (i.e. – attending meetings, service on the Chapter Board or on a Board Committee, & Waveguide submissions).

Following the receipt of applications, the Scholarship Committee may recommend recipients of the awards to the Chapter 16 Board. Upon approval, the Chapter 16 Board will distribute the funds to the SBE Store (certification exams), or to the recipient's enrolled institution.

Scholarship awards vary up to \$1000. Recipients are limited to one scholarship award per year. Funds can only be used for tuition, books, related instructional and test preparation materials, and fees associated with examinations as determined by the Scholarship Committee.

Complete the application

Answer all questions to the best of your ability. Information will be disclosed only to scholarship committee members.

All entries must be sent to the SBE Chapter 16 Scholarship Committee, PO Box 9754, Seattle, WA 98109. Your application may also be received by any Chapter 16 Board Officer. You may also contact the Committee via email at chair@sbe16.org.
