Your health and safety are important to us:

- Contact-less registration. Register onsite using your own mobile device. Instructions will be posted at the Registration tent.
- Face masks required. Masks will be available at the event.
- Hand sanitizer stations available.
- Equipment will be sanitized between interactions.
- This is an outdoor event. Tents will be spaced in order to accommodate for social distancing policies.
- We ask that you help us in following all state and local guidelines so that we can continue to bring this event to other cities across the country.
- If you have a fever or feel as though you may be sick, please refrain from attending. We will be sharing event news through our social media pages:
